Waste Management*

6705 Richmond Road

Glenwillow, Ohio 44139

Contact: Andy Federle (440)-343-7171 or WM 1-800-343-6047

Waste Management provides 2 options. They are currently in the process of establishing “givers & takers” in the Wayne County area. WM prefers to take manure & find a beneficial re-use for it, rather than sending it to a landfill. They have a large customer base in NE Ohio with horse owners & horse operations. They provide weekly or monthly pick-up and charge a dumpster rental fee & haul fee, but do not charge for disposal, since they try to send it to a place for “beneficial re-usual”.

Please call Andy to find out if they have any Wayne Co. options developed. WM can provide a short term roll-off container for 1 time use. A 20 yard container: 22' long x 8.5' wide x 5.5' high will run around \$360.00 plus tax, and will be picked up after 7 days. This then goes to a landfill.

C. Martin Trucking*
5604 Lafayette Road
Medina, Ohio 44256
Contact: Curtis or Peggy (330)-725-5083

C. Martin Trucking hauls horse manure, but primarily operates in the Medina County area. Call them to see if they could deliver & pick up at your location. An example of one of their services is: For 4 horses they would supply a 6 yard dumpster, dumped once a month and it would cost about \$70. They do not haul to landfills. Most manure is taken to a composting facility in Brunswick.

Paradise Lawn Care Inc.*

Contact: Bart (330)-669-3141

Paradise Lawn Care is located in Wooster, Ohio – 4300 Mechanicsburg Rd. They have been a composting facility since 1991, and will accept horse manure – currently at no charge. You have to find a way to get your manure there however. They do not have pick-up or hauling services yet.

“SWEET PEET”
Urban Organic *
Brunswick Hills, Ohio 44212
440-333-7338 (PEET)
Email: mlb492@comcast.net

The only use EPA recommended water tight dumpster containers and presently service over 50 horse stables on a full time or periodic/seasonal basis. They provide manure hauling service for about half of the normal hauling rates charged by for profit hauling companies to help the stable owner’s transition their service and come into compliance. They try to cover the cost of the driver, fuel and the investment in the dumpsters and truck. They provide this service even during the worst weather conditions.
